

Dear Neighbor,

Rebuilding Together - Duneland (RTD) is an affiliate of Rebuilding Together, a leading national nonprofit supporting safe and healthy housing with more than 40 years' experience. **Together we transform** the lives of financially struggling homeowners by improving the safety and health of their homes and revitalizing our communities.

We are **rebuilding pride** by repairing and rehabilitating the houses of veterans, people with disabilities and financially struggling homeowners so they can remain our neighbors.

We are **rebuilding our community** by strengthening its foundation...because a neighborhood is more than just houses and streets—it's familiar faces, helping hands and open arms.

And we are **rebuilding the future** of our community by renewing the hope of the people who call it home.

RTD has been helping the Duneland community for 20 years. This year, on Saturday April 29, 2017, nearly 400 volunteers from the Duneland community (Chesterton, Porter and Burns Harbor) will come together to paint, hammer, roof, plumb and donate their skills large and small to help deserving families and improve our community.

RTD could not do this every year without the generous financial support of our local banks, corporations, religious and civic groups, foundations and individuals. We are proud that for every \$1 raised through our fundraising efforts RTD has provided an estimated \$4 worth of materials and services! Our investment changes lives and moves the needle on addressing the millions of financially struggling homeowners living in unsafe and unhealthy homes! **Together we transform!**

See our 2017 [sponsorship form](#) (<<hyperlinked) or at the bottom of our "Donations" page for your consideration. If you can find it in your budget to help the families of our community, please select the package that best fits and return the form with your sponsorship by March 10, 2017.
